“It was a great opportunity to get involved with my colleagues in other departments, to learn what they do on a daily basis and for everyone to work together through workshops, presentations and team tasks. Everyone got involved and although it was an intense few days, there was plenty of laughs along the way.”

DisplayNote

I got an insight into Volaris Group, and how successful they have become. It was great to see their commitment to us, how they are driving DisplayNote to succeed. There is a whole Volaris community out there – all at different stages of their journey, so it's good to know that each person, in every company can rely on that if they need support of any kind.

2024

I FOUND IT TO BE A SUCCESSFUL TRIP AND I LEARNED A LOT FROM IT, BOTH WORK-WISE AND ON A PERSONAL LEVEL. WE ARE AN INCREDIBLE TEAM!
